Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Ben Dolnick's *At the Bottom of Everything* is a book about finding yourself in the midst of trying to help someone else, and how much our lives can turn on just one single incident. I really enjoyed the beginning of this book as Adam reflected on both his current situation and reminisced about his friendship with Thomas, but I felt as if once he went to India, the book lost its focus.

Bright Eyes (Conor Oberst) playing (live) "At the bottom of everything" on a TV show

### **Bright eyes - At the bottom of everything (Live Kilborn ...**

Nearing the crash, one of the passengers begins to sing, "At the Bottom of Everything", the opening song of the album. The simple, four-chord folk song is one of Oberst's trademark sarcastic social commentaries on American ideals: "We must memorize nine numbers and deny we have a soul."

### **I'm Wide Awake, It's Morning - Wikipedia**

At the Bottom of Everything is a short novel, but The hook is that Adam and Thomas, who had been best friends in school, are changed by an event. This event causes Adam to retreat from Thomas for ten years, until he is pulled back into Thomas's life by a plea from his parents.
