However, where the design requirements are code specific, this book refers to the provisions of the Australian Standard for Concrete Structures (AS3600-2009) and, where possible, the notation is the same as in AS3600-2009. A parallel volume is written to Eurocode 2, the European Standard for the Design of Concrete Structures.

Design of Prestressed Concrete to AS3600-2009 eBook ...

The Concrete Institute of Australia's Durability Committee was formed in late 2008 to review Z7. In view of the committee's perceived need for a broader review of durability requirements it managed workshops around Australia in mid-2009 to review issues with concrete durability practices and standards in Australia.
