The Aston Martin Vantage is a series of hand-built grand tourers from the British automotive manufacturer Aston Martin. Aston Martin has previously used the "Vantage" name on high-performance variants of their existing GT models, notably on the Virage-based car of the 1990s. The modern car, in contrast, is the leanest and most agile car in Aston's lineup.

In 1963, the musclecar wars were raging and engine power was everything. In January of that year, the Beach Boys recorded "Shut Down" – a song about a drag race between a 1962 Super Stock 413 Dodge Max Wedge and a 1963 fuel-injected Corvette Stingray, and that pretty much summed up the action on American streets and strips for the era.. Drag racing was the hot competition, and every ...

Shortly afterwards, Buick improved on the V8, building a version of the engine with small, vertical valves. Since the valves resembled nails, hot-rodders, with whom the engine quickly became popular, called it the "Nailhead" engine. The Nailhead was used to power the 1954 Buick Special (which also featured a new body and lower ride that year).
