Master And God I am a quarter of the way through and find it very disjointed. At one time I looked forward to each book in the Falco series but I don't think I will be buying another Lyndsey Davis book again!!! Also I think I won't even bother to finish reading Master And God what a waste of money that was.

I stopped reading the Falco books quite some time ago just because I got tired of the series, but it was always good. This one sounds great. It was clear to me that Davis knows a lot about the period.
