The jumping jack is for sale at my etsy shop and I also have a template available for you to download so that you can design your own. The template includes directions for engineering the back so that the doll moves when you pull the string. Available here. The jumping jack is a toy whose origins date back thousands of years. The jointed jumping-jack figure is a cross between a puppet and a paper doll. Their limbs are jointed and tied to a pull string.

Art with Kids: How to Make a Jumping Jack

Draw the head and body of the doll on the poster board. Draw two arms, two thighs and two calves separate from the head and body. The arms and legs will be attached behind the body of the doll, so make the arms and legs a little long to compensate. Draw in the face, clothes, and any other details. Cut the doll components out.
