And Cordingly has unearthed stories of a number of young women who dressed in men's clothes and worked alongside sailors for months, sometimes years, without ever revealing their gender. His tremendous research shows that there was indeed a thriving female population—from pirates to the sirens of myth and legend—on and around the high seas.

Seafaring Women on Apple Books

While piracy was predominantly a male occupation, a minority of pirates were women. On many ships, women were prohibited by the ship's contract, which all crew members were required to sign.:303 Because of the resistance to allowing women on board, many female pirates did not identify themselves as such. Anne Bonny, for example, dressed and acted as a man while on Captain Calico Jack's ship. She and Mary Read, another female pirate, are often identified as being unique in this regard. This artic
